

**Goal Setting** is the process of identifying something that you want to accomplish and establishing measurable **goals** and timeframes. When you decide on a financial change to save more money and then set a certain amount to save each month, this is an example of **goal setting**.

***Every successful person did these 2 things: set a specific goal and devised a plan for achieving it.***

**The SMART Goal Theory** stands for

Specific,  
Measurable,  
Achievable,  
Realistic and  
Timely.

This theory helps you set short-term goals that lead you to achieve your long-term goals

### **Goal Setting Topics**

Three types of goals

1. based on time (short-term or long-term)
2. based on focus
3. based on topic

### **Six Proven Steps to Goal Setting**

1. You must have a specific goal.
2. You **MUST** have a specific time in which to achieve your goal.
3. You must write down your goal.
4. You must develop a plan to achieve your goal.
5. You must decide the price you're willing to pay.
6. You must think about your goal every day.

### **Goal of a Music Minister**

The goal of a **music** ministry is to accompany, facilitate, and enhance the singing of the people of God. In this sense, everyone in the church is part of the choir.
